

SOCIAL FOOTPRINT

A NEW VISION OF THE CITY

Today, urban life is being reinvented around proximity, intensity of use, conviviality and peacefulness.

#1

CREATING DIVERSITY

4,100 JOBS

#3

PROMOTING THE LOCAL ECONOMY

73%

OF PURCHASES FOR RESIDENTIAL CONSTRUCTION SITES ARE FROM LOCAL SOURCES (WITHIN THE DEPARTMENT)

With an established local foothold and partnerships with regional actors, Altarea contributes to the development of the local economy: it supports entrepreneurs and local start-ups, short supply chains, local purchases, etc.

With SoCo, its social REIT, Altarea helps social enterprises get off the ground and continue operating by offering favourable financial terms.

#4

REINTRODUCING NATURE IN THE CITY

NATURE IN THE CITY IS BENEFICIAL:

- Cooling
- Places of recreation and leisure
- Food
- Maintenance of ecosystems that are vital to the living

Facilitating the integration of projects in an environmental setting

1st shopping centre in the world to earn the BiodiverCity® certification

In 2018, the Group signed a charter through which it commits to protecting the biodiversity of cities and incorporating living things into any urban project.
